Policy Review

Pursuant to section 97 of the Sale and Supply of Alcohol Act (**Act**), Waikato District Council (**Council**) must review its Local Alcohol Policy (**LAP**) no later than six years after it came into force and no later than six years after the most recent review was completed. If directed by Council, a LAP can be reviewed or amended earlier.

Policy Statements

1. INTRODUCTION AND OVERVIEW

1.1 The Act established a national framework for regulating the sale and supply of alcohol. The object of the Act is that:

the sale, supply, and consumption of alcohol should be undertaken safely and responsibly; and the harm caused by the excessive or inappropriate consumption of alcohol should be minimised.

1.2 The Act enables local authorities to develop a LAP to guide expectations for the development of alcohol licensing within their district. The LAP is a set of policies, made by the Council in consultation with its community, about the sale and supply of alcohol in its geographical area. ~~While it is not mandatory for local authorities to develop a LAP, the Waikato District Council approved the development of a LAP in May 2013 and adopted the LAP in 2016.~~

1.3 The Act requires the District Licensing Committee (**DLC**) and the Alcohol Regulatory and Licensing Authority (**ARLA**) to have regard to the content of any relevant LAP when making decisions under the Act. This ~~statutory recognition~~ allows local authorities, in consultation with their communities and stakeholders, to have greater influence over the local licensed environment.

1.4 Section 77 of the Act details what policies relating to licensing may be included in a LAP. ~~Policies that may be included are~~ These include:

- location of licensed premises by reference to broad areas;
- location of licensed premises by reference to proximity to premises of a particular kind ~~(s) or kinds;~~
- location of licensed premises by reference to proximity to facilities of a particular kind ~~(s) or kinds;~~
- whether further licences (or licences of a particular kind ~~(s) or kinds~~) should be issued for premises in the district concerned, or any stated part of the district;

- maximum trading hours;
- the issue of licences or licences of a particular kind ~~(s) or kinds~~ subject to discretionary conditions;
- one-way door restrictions.

No other matters may be included.

2 OBJECTIVES OF THE LAP

2.1 The objectives of this policy are to:

- Reflect the views of local communities as to the appropriate location, number, hours and conditions that should be applied to licensed premises within their communities;
- Balance the views of local communities regarding the sale, supply and consumption of alcohol, while addressing the statutory requirements of the ~~Sale and Supply of Alcohol Act 2012, including the object of the Act,~~ to minimise the harm caused by excessive or inappropriate consumption of alcohol;
- Provide certainty and clarity for applicants and the public as to whether a proposed licence application will meet the criteria of the LAP;
